USIB-D-27.1/22
20 November 1962

UNITED STATES INTELLIGENCE BOARD

MEMORANDUM FOR CHAIRMEN, USIB COMMITTEES
CHAIRMAN, BOARD OF NATIONAL ESTIMATES

SUBJECT: Request for Information Regarding USIB Research
Studies

1. The Chairman, USIB, has asked for an inventory and report on the current status of research studies concerned with the collection, production, support or coordination of foreign intelligence, which are being conducted under auspices or direction of the United States Intelligence Board.

2. Pursuant thereto, addressees of this memorandum are requested to submit information and data regarding such research studies to the USIB Secretariat by 30 November for consolidation and preparation of an overall response to the Chairman, USIB by 7 December, if possible. Information submitted should include for each research study:

- a. Clear statement of the subject of the Study.
- b. Authority for originating study, including date and whether periodic or ad hoc.
- c. Group or agency preparing study.
- d. Authority which will approve and issue study.
- e. Intended recipients or users of study.
- f. Planned date of completion.
